- **Updated Budget Balances and Decisions:**
 - Attendees received updated budget documents.
 - **Total Budget for 2025:** Approximately \$21,363,000, an increase compared to the previous year's budget.

- **Wish List Items:** Items presented from budget workshops were discussed, with the understanding that any granted wish list items would add to the budget total.

9. Wish List Requests (Initial Discussion)

- **Auditor's Office Request:**
 - Request for an additional full-time deputy auditor position. Motion by Wood to approve the new position, seconded by Casebeer was initially supported, but after discussion on budget constraints, it was withdrawn for further consideration alongside other requests.
 - **Vote Outcome:**
 - After reconsideration, the council voted on the auditor's request for a new deputy position. Motion by Casebeer seconded by Robertson 4/2 approved with Wood and Neff against.
- **Maintenance Department Request:**
 - **Part-time Laborer:** Requested a part-time laborer position (20 hours per week) to assist with general maintenance and lawn mowing duties.
 - Commissioner Burton highlighted the need for additional support due to the high workload of the current maintenance staff.
- **Building Department Request:**
 - Proposal to increase the existing building inspector's hours from 35 to 40 per week.
 - This funding would come from the building department's own fund, not the general fund. Discussion included flexibility in working hours to meet contractor needs.
- **Code Enforcement Position:**
 - Current position approved at 22 hours per week. Discussion on potentially increasing this to 28 hours a week, which might make the position more attractive for applicants.
 - **Concerns:** Council debated whether increasing hours would impact the quality of inspection, given different training levels between code enforcement officers and building inspectors. The council opted to wait and see how new hires affect the workload before making any changes.

10. Highway Department Budget Adjustments

- **Seasonal Labor Increase:**
 - The proposal was to double the capacity of seasonal labor hours from 1,080 to 2,160.
- **Adjustment for Equipment:**
 - Proposal to reallocate funds initially set for purchasing used equipment back into equipment budget due to the higher-than-anticipated cost of used machinery.
 - Additionally, reappropriation of funds from the grader lease was requested, with a total of \$82,000 allocated for leasing, which is up from the previously allocated \$40,000.
- **Bridge #15 Replacement:**
 - Discussed setting aside \$100,000 annually for the eventual replacement of Bridge #15, estimated to cost \$3.2 million.
 - Anton raised concerns about the expense and its necessity, given alternative routes in the area.
 - Highway Commissioner noted that, without funding for replacement, a temporary fix of \$30,000 will be implemented to bring the bridge to a 3-ton limit.

11. Rescue Equipment and Tire Budget

- **Rescue Services Budget:**
 - The council reviewed the proposed budget for Rescue Services, which included costs that had previously been absorbed into EMS operations. A total of \$25,500 was initially projected.
 - **Tire Costs:** Agreed to reduce tire costs from \$2,000 to \$500 for regular tire maintenance and reappropriate \$7,500 from the Riverboat fund for immediate tire replacement.
 - **Motion:** Neff made a motion to advertise to appropriate \$7,500 from the Riverboat fund for tire replacement for Rescue Equipment tires up to date. Motion was seconded by Robertson 6/0 approved.
- **Further Budget Considerations for Rescue Services:**
 - The council agreed that more detailed work was needed on the Rescue Services budget to finalize line items and ensure accurate tracking.
 - Chris will follow up on further adjustments, specifically focusing on separating existing costs and establishing clearer fund management for Rescue.

12. Economic Development Corporation (EDC) Request

- **Lit Supplemental Distribution Request:**
 - EDC requested that instead of the lit supplemental distribution, invest into the annual budget of Economic Development request is for \$20,000.
 - Further review and adjustments needed to align the budget with actual revenue.

13. Clerk's Office Request for New Position

- **Full-Time Deputy File Clerk:**
 - The clerk requested a new full-time Deputy File Clerk position, with a similar cost structure to the auditor's office request.
 - **Funding Source:** The funding for this position would be derived from document fees (Fund 4902).
 - **Council Discussion:** The clerk's office staffing levels are below average compared to similar-sized counties. The current staffing is five, whereas the average for comparable counties is around six.

14. 911 Request for Assistant Director and Training Position

- **Position Change Request:**
 - The 911 center requested the elimination of one full-time Communications Officer and the addition of a full-time Assistant Director and Training position.
 - **Estimated Cost:** The net cost difference would be approximately \$13,279.
 - **Proposed Salary Levels:**
 - The council discussed two options for the assistant director's hourly rate:
 - **\$24 per hour** as initially requested by the department, based on industry average data.
 - **\$21.73 per hour**, which aligns with the existing county classification system and current job classifications for similar positions. Non-exempt.

15. Prosecutor's Request for Investigator Position Hours Increase

- **Increase in Weekly Hours:**
 - **Proposal:** Increase the investigator's hours from 35 to 40 per week to address workload demands.
 - **Estimated Cost:** 90% from the general fund and a 66% reimbursement on 10% through the 4D reimbursement program.
 - **Council Discussion:** The council agreed that additional hours would alleviate workload issues and that the general fund cost was manageable with the 4D reimbursement.

16. Group Benefits Proposal

- **Proposal:** Councilman Robertson proposed benefits for employees who voluntarily opt-out of county health plans, particularly for those eligible for Medicare.
- **Discussion:**
 - No ordinance was found that would mandate or regulate such a benefit.
 - **Outcome:** The council decided not to take further action on this proposal without more detailed cost information and supporting documentation.

17. Resolution to Establish Fund for Bridge #15 Replacement

- **Proposal:** Create a new fund for earmarking \$100,000 annually for Bridge #15 replacement.
- **Council Motion:**
 - A motion was made to establish a dedicated fund for the Bridge #15 replacement, with \$100,000 annually allocated from the highway department's budget.
 - The fund will be restricted solely for the purpose of bridge replacement, ensuring that it cannot be diverted for other uses.
